

## Wheat Allotment Plan is Now Completed

### BARRACKS FOR MEN AT PALO DURO PARK

#### BIDS OPENED SATURDAY FOR NEW BUILDINGS

Major Watson Submits Figures to Commanding Officer

#### WORK THIS WINTER

#### Army Not Question Local of Camp at Palo Duro Park

Bids were submitted Saturday by a dozen contractors for the erection of barracks at the Palo Duro State Park. The barracks would be built for the purpose of housing the C. C. C. workers during the winter.

Major J. E. Watson received the bids and has submitted them to the commanding officer of this area where they will be passed upon. If the army decides to build the barracks, work will probably start during the coming month, and the men will be moved from the tents to the new quarters as soon as they are completed.

Officers at the camp have contemplated for some time that if work was carried on through the winter at the Palo Duro Park that barracks would be erected in order to insure comfort to the men. So far as known locally, or among officers at the Palo Duro, the government has nothing in mind other than carrying on the construction work during the winter months.

Local citizens were considerably excited Tuesday morning when

(Continued on last page)

#### Joe Hill, Jr. Sails for South Pole With Byrd

Joe Hill, Jr., sailed Monday from Boston with the first ship of the Byrd expedition to the South Pole. Forty men, including the scientists for the expedition, were on the Bear famous old coast cutter which was used by Byrd for the first expedition to the Antarctic. Young Hill was among those who were on this ship, having been transferred from the supply ship a short time before sailing.

The supply ship, Pacific Fir, will leave next week from Boston, bearing Admiral Byrd and the other 3 men of the expedition. This ship is faster sailing than the Bear, and the two will join in New Zealand before pushing toward the southern goal.

While the change of Young Hill from the Pacific Fir to the Bear does not guarantee that he will be one of the 40 who will push farthest south with Byrd, indications are that those now on the Bear will largely compose the crew to make the trip. The final selection is made in New Zealand.

A microscope from W. T. is one of the scientific instruments on the Bear. This was sent by President J. A. Hill when advised that it was needed. All scientific instruments used on the trip are loaned to the expedition, and all supplies for the two year's trip are given free by various firms in the United States.

#### Home Coming of W. T. Set for October 28—Game O. C. U.

Home Coming for W. T. has been set for October 28th. The football game for the day will be with Oklahoma City University Goldbugs, one of the best teams that the Buffaloes will meet this year.

Plans are now underway for the ex-students to put on a full program of entertainment for the hundreds who are expected to be here for the home coming event.

### 938 STUDENTS ENROLLED AT W. T.

#### Bufs Change Line Up Friday's Game

#### Simmons Cowboys Coming to Meet Baggett's Men at Night

W. T. Buffaloes will meet the strong Simmons University Cowboys Friday night at 8:00 o'clock under the lights of Buffalo field in the second encounter of the season.

The Bufs have been working long and hard this week in preparation for this game. Coach Al Baggett is working on the weaknesses which were revealed in the game of last Friday at Weatherford. Shifts are being made in the line-up which will greatly strengthen the team.

Some new faces will be present and some old ones will be shining in new places. "Cow" Williams, widely known as a full-back has been shifted to end on the defense and right half on the offense. This has added considerable blocking strength and also lots of power on off-tackle plunges. Kenneth Kendrick has been shifted from right to left end to utilize his speed on end-around plays and for running interference. He will play half on the defense.

Al Duncan goes from the backfield to his old position as guard. Jimmie Holston will probably get the call as quarterback because of the way he showed up in the Southwestern game.

L. A. Stowe will start at right end with Carroll Boyd ready to step in at any time. Lloyd Moore, formerly of the Pampa Harvesters has gone from guard back to end and will see some service.

Several new men which have strengthened the squad are: Pest Martindale of Pampa, a quarterback; Rankin and Britt, halfbacks; and Blaine, center.

Loveless, guard; Teague, all-

(Continued on last page)

#### P. T. A. To Have Bob Clark For Magic Program

On next Tuesday night the P. T. A. of the Canyon Public Schools is sponsoring the appearance of Bob Clark, the Magician, at the High School Auditorium.

Bob Clark... magician, slight-of-hand... prestidigitator... and all round wonder boy, is a graduate of Howard College in Alabama, and has traveled widely over the South, giving his entertainments, and performances.

"There are tricks in all trades, but my trade is all tricks." This is the slogan which young R. E. (Bob) Clark wears on his sleeve, or maybe up his sleeve, for presto, change! the quickness of the hand deceives the eye and leaves the spectator to wonder, when Bob Clark presents his magic to amazement and mystified throngs.

Youthful and handsome, Bob Clark is outstanding in this program which offers his diverting and entertaining "Black Magic" when he turns marbles into eggs, rare laces into silk handkerchiefs, pennies into dollars, strings into ribbons, and produces perfectly good roosters and rabbits out of silk hats, where no rooster or rabbit had ever set foot before.

#### LAKESIDE P. T. A. TO MEET FRIDAY NIGHT

The Lakeside Parent Teachers' Association will hold its first meeting of the year at the school house Friday night, Sept. 29th. The meeting will be under the direction of Mrs. Roy Campbell, newly elected president.

The purpose of the meeting is to outline the work of the association for the coming year, and to initiate a membership drive. Every person in the community is cordially invited to be present. A social hour has been planned by the women of the community.

#### Rev. J. T. Burnett Died Friday After Lingering Illness

Rev. James Thomas Burnett died Friday evening at 7 o'clock following an illness of several months. The funeral services were held Saturday afternoon at 3:00 o'clock at the Baptist Church, conducted by the pastor, Rev. J. R. Hicks, and assisted by Rev. G. L. Yates of Amarillo.

Rev. Burnett was born in Arkansas Nov. 14, 1861, and soon would have reached his 72nd birthday. He has lived on the Plains for 34 years as a pioneer pastor of the Baptist Church. He served a number of churches, but has always counted Canyon as his home. His influence has extended over a large territory of Northwest Texas where he worked intensively in the interest of building not only his own denomination, but also the foundation of a stable and God-fearing civilization.

Surviving are the widow and six children: W. G. Burnett of Dallas, Alfred Davies of Bowie, Mrs. L. L. Whitten of Amarillo, Mrs. W. P. Jones of Amarillo, Mrs. Roy Campbell of Canyon, R. B. Burnett of Amarillo. Pall bearers were Dr. C. E. Donnell, Dr. H. M. Cook, J. S. Pool, G. B. Combs, C. C. Huber and Jim Cheyne.

#### CANYON GOLFERS WILL PLAY AMARILLO SUNDAY

Canyon golfers will go to the Hillcrest Club in Amarillo Sunday for a return match. The Canyon team won the match played on the local course in June.

Oscar Gano has invited all Canyon players to make the trip to Amarillo for the match play.

Mrs. R. W. Ratcliff and Miss Lillian Atkins visited in the home of Mr. and Mrs. B. T. Atkins in Amarillo Sunday.

#### TOTAL IS OVER FALL QUARTER FOR LAST YEAR

Large Increase Shown In Training School Work

#### PASS LAST YEAR

#### Many Colleges of State Are Showing Decline for Year

Attendance at W. T. surpassed the record of last fall on Tuesday when 938 had enrolled. Of this number 698 were in the College and 240 were in the training school. Enrollment may continue through today for regular work, although special students will be accepted at later dates.

"The attendance is highly satisfactory," stated President J. A. Hill. He had received reports from other institutions which have suffered great decreases in attendance owing to the economic condition.

(Continued on last page)

#### Milk Ordinance Is Effective Starting October First

Canyon's new standard milk ordinance will become effective the first of October. Milk producers who are furnishing the people of Canyon with the milk supply are getting ready to comply with all of the provisions of the new ordinance which was published in last week's issue of the News.

Arrangements were completed Monday for milk inspections to be made by Lewis Dodson of Amarillo. Mr. Dodson will do the testing of the milk in the Amarillo laboratories.

#### Club Women Make Showing at Fair

#### Slow Progress Is Made on Highway to Palo Duro Park

Little progress has been made on the highway east of Canyon during the past week. A ruling was received by the local relief committee which forbids the employment of any workers on the highway except those who have been on the relief rolls, and the hours are restricted.

Several days last week teams which were employed by the highway commission had no drivers, and stood idle during the afternoons for the lack of men on the rolls eligible to drive them.

The new ruling was made from the relief offices at Austin for the purpose of holding down expenditures to only those who were in absolute need. H. S. Strain, in charge of the local relief office, states that the number of eligible men is increasing, but not in proportion to needs of the highway department for highway building purposes. It is indicated that unless work is made available for more men, the highway department may let a contract and rush this highway to completion, owing to the necessity of completing this work for the benefit of the Palo Duro Park camps.

The highway department has set aside \$20,000 for the highway east, and \$25,000 for improving the highway between Canyon and Amarillo, but all of the labor on this project is being furnished out of Amarillo.

#### MARRIAGE LICENSES

Roy Howard and Mrs. Coy Fowler, Sept. 23.  
Diamonds and Wedding Rings, E. Burroughs, Jeweler.

Robert Jarrett, Jr. left Friday for Galveston where he will continue his studies as a sophomore in the medical college.

#### Win More Places Than The Exhibit Taken Last Year

More places were won in the Home Demonstration department of the Tri-State Fair by Randall county club women than were won last year, according to Miss Sadie Kate Bass. Winning products from the county exhibit held last week were taken to Amarillo for the fair competition.

The following placed at the Tri-State Fair:

Asparagus: 3rd, Mrs. M. H. Rockwall.

Butter beans: 4th, Mrs. C. S. Sanford.

Tomatoes: 3rd, Mrs. L. A. Donnell.

Okra: 1st, Mrs. J. J. Wright.

Canned fruit: 4th, Mrs. J. T. Moody.

Green tomato pickles: 4th Mrs. Henry Garvin.

Green tomato mince meat: 4th, Mrs. W. E. Bennett.

Peach preserves: 4th, Mrs. E. W. Schaeffer.

Watermelon rind: 4th, Mrs. E. W. Schaeffer.

Apple preserves: 3rd, Mrs. W. L. Miller.

American cheese: 3rd, Mrs. J. B. Knox.

In the clothing division, two of the club women placed with their showings:

Hooked chair or table mat: 2nd, Mrs. E. H. Hardeman.

Cotton quilt: 2nd, Mrs. S. L. Robinson.

4-H Club Girls from Randall county won in the following classes:

Watermelon rind pickles: 3rd, Evelyn Bauer.

Pickled beets: 3rd, Elsie Bauer.

Pear preserves: 2nd, Laura Lou Campbell.

Cook apron: 4th, Evelyn Bauer.

#### Bill Smith Tells Rotary Club About Gas Improvements

Bill Smith was in charge of the Rotary Club program Tuesday, telling about the installation of gas control gates on the pipe lines in order to insure gas for Canyon in case of breaks. In crossing the Palo Duro canyon at the Six-Mile crossing, considerable difficulty has been met by the pipe line and dangers have existed from drift wood in periods of high water. Should a break have occurred in the line at this place, Canyon and South Plains towns would have been out of gas for some time. During the past week two block gates have been installed, each weighing more than 2,000 pounds, and a bypass installed over the Palo Duro to insure gas even in case of a wash-out.

Work on the line was completed Sunday night, while the consumption was lowest in Canyon in order that no one suffer any inconvenience.

It will be necessary to lower the main 15 inch gas line east of Canyon at the crossing of the new highway which is under construction.

J. C. Seigfried of C. C. C. Company 1824 favored the club with Hawaiian guitar music.

Visitors present Tuesday were: Ben Anderson of Amarillo; Major J. L. Dunn and Captain A. M. Erskin of the Pailsades; Al Baggett and Dr. R. A. Neblett of Canyon.

Miss Ruby Kendrick Cherry of Childress has been chosen secretarial assistant to Dean of Men, Harris M. Cook, and Dean of Women, Mrs. Geraldine Green. She lived at Randall Co-operative Hall.

Mr. and Mrs. C. H. Day of Plainview stopped briefly in Canyon Wednesday on their way to the Amarillo Tri-State Fair.

#### OFFICERS WILL BE NAMED HERE THURSDAY P.M.

County Covered in Two Series of Meetings On Wheat

#### OVER THE QUOTA

#### All Committeemen Start Checking List After Monday Meet

Randall county's wheat allotment plan is complete, with the exception of the final selection of officers. Election of county wide officers will be made this afternoon at the court house.

The last meeting of the second series was held at Hyland last night, which completed the round for the election of local committeemen.

All of the meetings have been in charge of County Agent W. H. Upchurch, who has been highly praised for the manner in which he has conducted the meetings, and the organization which has made possible the rapid signing of the wheat producers.

Wheat signed up will run from 5% to 10% over the allotment for the county, stated Mr. Upchurch yesterday. Scaling down the acreage must be made in order to comply with the quota which was allowed Randall county. This will be done by the local committeemen, who will start correction of the applications next week.

(Continued on last page)

#### "Gate Crashing at Buffalo Park Will Be Stopped"—Hill

The following statement was issued this morning by Dr. J. A. Hill regarding admission to Buffalo Park for the football games:

In recent years there has been a growing disposition among certain classes of our youth in Canyon to gain admission to the college football field without tickets and by various kinds of dishonest methods, such as slipping under or over the fence, crashing the gate, tearing planks from the fence, etc. Likewise, gross disrespect toward gate-keepers and other officials who have insisted upon regular and legal methods of admission, has become unbearable.

This is to warn all such trespassers that I have asked the sheriff's department to protect us against such practices and to rigidly apply the law governing such matters. The sheriff has kindly agreed to do so. We do not wish to embarrass anyone in this connection, but fairness to ourselves and common honesty and decency demand that the kind of conduct referred to above must be stopped. Parents are kindly requested to cooperate with us in governing admission to ball games and save all of us from unpleasant embarrassments.

Admissions to the ball park must be regular and our gate-keepers and others must be respected.

We want everyone at the game next Friday night who is willing to pay the price of admission. Others should stay away and avoid trouble.

J. A. HILL, President, West Texas State Teachers College.

#### Delinquent Taxes May Be Paid With Only Small Penalty

Delinquent taxes are due on or before September 30th under the provision of a bill passed by the 43rd legislature. If payments are made by that time a penalty of only one per cent will be added, and no interest will be collected. This applies to all taxes which were delinquent before February 1st of this year.

Tax Collector R. N. Barnett has notified tax payers of the possible saving they may make by paying off their taxes this month, and hopes that many property owners of the county will be able to take advantage of the lowered rates.

# The Canyon News

CLAYDE W. WARWICK  
Owner and Publisher

SUBSCRIPTION \$1.50 PER YEAR  
(A special rate of \$1.00 per year is effective to January 1, 1934.)

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 Fourth Avenue, Canyon, Texas.

Football in America among college and high school students takes the place of bull fighting and rioting among the students of foreign nations. Youth demands a safety-valve through which the growing energies may be expended. Football is that national safety-valve of America, and a good one at that. While the youth is having a great big time in backing the team on the field, at the same time youth is learning the most valuable lesson of give and take; that a good loser is bigger than a poor winner; that a victory not honestly won is worse than the most humiliating defeat. Good football will make a better nation. But, even as good as football is, it has its place, and should never be the prevailing enthusiasm, or goal of any school. Carried to extreme it takes too much of interest of the students, public school or college, in which case it becomes a nuisance.

Business codes must be in by the first of October, according to announcement of General Johnson. All lines of business will be pleased when these codes are finally adopted. As conditions are now, no one knows exactly just what re-adjustments he must make in his business in order to meet the demands of the code under which he will operate. In the meanwhile, code racketeers are multiplying. They are making the rounds, selling directories, etc., telling business people they will not be loyal to the President if they do not enter into certain agreements which are profitable to the promoters. If such racketeers show up in Canyon, get in touch with the Chamber of Commerce before listening to them. NRA is going to be made to work. The Roosevelt administration realizes that it must work. But racketeering on the code will bring the business man nothing.

Why should any one express surprise at the trend of events as being developed in Austin? There was certainly no one in Texas misguided as to what Jim Ferguson would do if his wife was elected Governor. With the history of the two previous terms of Fergusonism in Texas, certainly the people were not fooled in turning the affairs of state again over to Ferguson. It rather begins to look like this was the kind of stuff that a majority of the people desire. And the sad part is that a political machine is being built by Ferguson which will make him almost unbeatable next year, no matter what position he seeks. No Texas is far from being through with Jim Ferguson.

Taking the hitch-hikers and bums off the highways and railroads is said to be a plan under development by the government. Concentration camps in each state are being planned. There the men, and women, will be sent to school, and taught some useful occupation. This is part of the unemployment plan which will be worked with the relief program of the federal and state governments. The idea suits those who are tired of helping so many drifters, some of whom are willing to work if given an opportunity, but a majority of whom are natural drifters, and who do not wish to work.

Five more states favoring the repeal of the 18th amendment will make the job complete. 31 states have voted in this manner. It is expected that repeal will be complete by the first of the year. Then the battle will be for the return of all kinds of liquor in every state of the union. 32% beer is a disappointment to the wets, but has proved to be an entering wedge to bring back hard liquors and the saloon. When public sentiment changes in America, it goes from one extreme to the other.

The threat of the Bailey gang against the Urschel family is clearly a challenge to the law abiding citizens of America. When gangdom threatens the very structure of this nation's life, it is time for every law abiding citizen to engage himself in this warfare against crime.

Scientists Searching for a Lost Race—Headline. They shouldn't have any trouble; all they have to do is watch for the one we bet on.

There is more true philosophy in an inch of laughter than there is in a yard of sarcasm.

What we need is less reckless, and more reckless driving.

## THE GREAT AMERICAN HOME

### News in Canyon 25 Years Ago

(From the files of the Canyon City News, September 11, 1908)

L. E. Cowling purchased this week from S. M. Downing the J. E. Coleman place two miles east of this city, paying therefor fifty dollars per acre.

Grady Oldham left last Sunday to attend school at the Add-Ran College.

Miss Ida Rowan left this week to open her school at the Sunflower school house in the southern portion of the county.

Fifty young people of the Hoffman community met at their old "stamping ground," the home of Mr. and Mrs. B. T. Johnson for a final social before they separated for the school year. Mr. Roy Cagle, Miss May Cowling, Miss Beulah Prichard, and Henry Hoffman were winners in some of the contests.

The cornerstone of the Randall County court house will be laid by the Grand Lodge of the State of Texas, A. F. & A. M., on Saturday, September 19, 1908, at 1:30 p. m. On that day a general picnic will be held on the court house grounds and everyone is cordially invited to be present and bring with them their lunch baskets. Meat, bread, pickles and coffee will be furnished by the Canyon City lodge. Meet promptly at 10 a. m., and dinner will be served at 12 m. sharp. Music by the Canyon City band. All the neighboring lodges have been invited to be present and

participate.

The Canyon City News changes its name with this issue to the Randall County News.

The Canyon Mercantile Company announces the arrival of a new milliner, Miss Albitz of St. Louis.

Misses Luna and Winston Hitchcock have returned from a ten days trip to Nina, Texas, where they had charge of the music and singing for the Baptist people during their meeting.

(Taken from the files of the Randall County News of September 18, 1908)

I. L. Vansant reports an average wheat crop this year of seventeen bushels per acre, thirty-two bushels of barley per acre, and thirty-five bushels per acre.

W. T. Moreland, Oscar Gamble, New Reeves and Attorneys Rollins and Brandon went out to Umparger Monday to attend the justice court at that place.

W. C. Johnson left Monday for Waco, where he will enter Baylor University.

Henry T. Stewart of Argyle was here the first of the week visiting his brother, Dr. D. M. Stewart.

Born—Last Sunday afternoon, a fine girl to Mr. and Mrs. R. A. Sowder. Mother and babe are doing well. Mr. Sowder is in charge of the arrangements for the laying of the cornerstone of the court house next Saturday and with that and the new daughter he is as busy as an old hen with one chicken.

Will Bucy, a former resident of this city but who has been located at Plainview for some months, has

returned to this place and is with A. H. Thompson in the drug store.

Miss Annie Bule returned home Saturday after a pleasant visit with friends in Clarendon.

In a letter to the News, Peter J. Meyers gives his reasons for his confidence in the Panhandle of Texas. No. 1 wheat brought 92 cents to 95 cents per bushel and 25 to 30 bushels per acre were grown; oats brought 43 cents to 47 cents per bushel and produced 30 to 50 bushels per acre. Millet seed brought 75 cents per bushel and millet hay \$12.00 per ton; 95 cents per bushel for sorghum seed. He says: "It will be two years next month since I first came down here with Keiser Bros. and Phillips and bought one-half section for \$17.50 per acre, which I would not sell for less than \$30.00 per acre now."

### Zita Breezes

Mr. and Mrs. Sam Elliott of Dumas visited Mrs. E. M. Elliott the past week.

Mr. and Mrs. Paul Matthews visited Mrs. Emma Gruner Sunday.

Miss Elizabeth Hales spent the week end at home from school in Amarillo.

Miss Beatrice Fulton spent the past week with friends in Giles.

Mr. and Mrs. C. S. Dixon visited in Hereford Thursday.

Miss Birda Hastings visited her mother in Clarendon Sunday.

Mr. and Mrs. H. R. Fulton went fishing Saturday night with Canyon friends.

The first meeting of the Zita P. T. A. was held Saturday night.

### 'Red Grange' of Hawaii in U. S.

R. T. "Ted" Christofferson, noted Hawaiian halfback and heralded to be the islands' greatest athlete of all time, is shown above as he arrived in Los Angeles, preparatory to entering Washington State University. In addition to his gridiron prowess, Christofferson is also a track and field star.

Miss Birda Hastings gave an interesting talk on her trip to the World's Fair and New York.

## Wheat: U. S. Exports to Europe and Production in Europe

U. S. Exports to Europe  
(Each boat carries  
20 million bushels)

Production in Europe  
(Each sack holds 100 million bu.)

WHEN Europe produces more wheat for herself she buys less from the United States. That is the feature of the world wheat problem that this chart shows. For instance, in 1921, when many wheat ships were busy carrying the bread grain to Europe, that continent produced only 1,200,000,000 bushels. Since 1927, European countries have been

producing more and more of their own wheat and the wheat traffic across the Atlantic has slowed up. In fact, efforts of European countries to supply their needs, and their buying wheat from other countries has just about cut off our wheat exports, as the lone boat for 1933 represented in the chart indicates. The United States doesn't want to with-

draw from the export trade, but rather than have grain pile up in the United States or be sold at less than cost, the Agricultural Adjustment Administration has begun a wheat plan which will reduce acreage in the United States and bring production down to the point where it can all be marketed at a profit to the farmer.

Silverton spent Friday with Mrs. A. E. Wise. Mrs. Rex Roby was an Amarillo visitor Saturday. Mr. Roby worked in the manual training shop at Happy.

Mr. and Mrs. H. J. Ratjen and family and Mrs. Wm. Lehnick went to Plainview Saturday and visited Mr. and Mrs. J. H. Ratjen.

Mr. and Mrs. Joe Russell and little daughter spent the week end with relatives at Panhandle.

## Rusk Quizzes

Mr. and Mrs. O. A. Smith and family spent Sunday afternoon with Mr. and Mrs. R. N. Henry and family.

Leona Dowdy of Plainview spent Saturday night with Lorene Smith. Relatives from California are

visiting Mr. and Mrs. V. H. Padgett and family.

Arthur Henry left Monday for Shamrock where he intends to stay for a few months.

Quite a few from this community were visitors at the Tri-State Fair this week.

## Fairview Breezes

We are having quite a bit of wind which we hate to see as it dries the wheat ground out so fast.

Sunday school is progressing fine, having interesting lessons. Everyone is invited to come out.

Called Bro. Taff Hollyway of Wayland College for pastor. Voted for him to preach on Saturday night, Sunday and Sunday night of each second Sunday. Everybody welcome to come out and hear him.

Dinner guests Sunday in the J. W. Wesley home: Inez Wesley, Artie Brawner, Jack Sutton, Maud Wesley and Lee Wesley.

Mrs. Sharps has been on the sick list but is better at this writing.

Elvin and Othell Wesley spent the week end at home this week, returning to Plainview Sunday evening.

Mrs. H. E. Wesley spent Sunday with Mrs. Belle Washburn.

Miss Helen Cox of Canyon spent Friday night and Saturday with Mrs. Maude Wesley.

Junior Wesley spent the week visiting his grand mother, Mrs. Maude Wesley.

M. J. Wesley of Jowell has been sowing wheat in our community this week.

Mr. and Mrs. J. W. Wesley motored to Plainview Friday evening. Alice Rogers and Eva Gazzaway were callers in Amarillo Saturday.

Mrs. Edna Wilson visited with her mother, Mrs. C. M. Rogers, Saturday evening.

Artie Brawner started to Happy Saturday night and failed to make the corner and turned his truck over. No one was hurt.

Arthur Patterson and wife and

Marie Patterson went to Olton Saturday. Their boys are visiting with their grand parents, Mr. and Mrs. Patterson, while their parents are away.

The Fairview school turned out Monday for the Amarillo Fair.

Bill James and family went to Amarillo to the Fair Monday.

Mr. and Mrs. Patterson and John were callers in Canyon Monday.

L. H. Barnard has returned from Oklahoma where he has been picking cotton.

Mr. McNeal went to Wichita Falls on business Tuesday.

Chas. Sutton, H. H. Sutton and wife were in Canyon Friday.

G. E. Wesley and wife were in Amarillo on business Monday.

H. B. Wesley was a caller in the J. W. Wesley home Sunday.

The B. Y. P. U. was attended by a small crowd, but the lesson was quite interesting.

G. E. Wesley and family visited in the J. W. Wesley home Saturday night and enjoyed a few songs.

## Umbarger Items

Umbarger was well represented at the Fair in Amarillo on Randall County day.

Mr. and Mrs. Henry Batenhorst and family made a business trip to Amarillo Saturday.

Joe Friemel and sons George and Elmer were callers in Ford City Sunday.

Jewell Darnell and Shorty McCawley were business callers in Amarillo Friday.

Mr. and Mrs. Fritz Friemel and Richard and Laura Louise made a business trip to Amarillo Saturday.

Mr. and Mrs. O. J. Podzemny made a business trip to Canyon Friday.

Tony Hartman and Miss Beulah Reeder visited at the home of Mr. and Mrs. E. J. Evers Sunday.

Cuba's new President Cespedes' name, the papers say, is pronounced "Thess-Pay-Days." That last part of his name accounts for his popularity with the Cubans.

## Wayside Items

Wind from the southwest blew very hard Monday, making it very disagreeable for workers on the outside. Still dry.

Elbert Gillham of Pampa visited with his mother, Mrs. Etta Gillham Sunday.

Rev. J. R. Plant and family were with us Sunday. He gave us two excellent sermons. Miss May of Vigo Park came with them. Fourth Sunday in October completes the conference year; one more visit from him.

Henry Harrell and family, Mrs. Bertha Payne and children visited the Tri-State Fair at Amarillo Sunday afternoon.

Mrs. E. J. McGehee was taken seriously ill Saturday afternoon. She was taken to the sanitarium at Amarillo at once. Reported Monday afternoon she was resting better.

Mother Carter was taken from the Tulsa hospital to the Northwest Texas hospital at Amarillo where she is said to be doing as well as could be expected for one 80 years of age with a broken hip. Her daughter, Mrs. Joe Smith goes up to see her frequently.

M. E. Counterman and family visited the Sluder home Sunday.

Mrs. Bessie Lane made a trip to Happy Monday afternoon.

Will Howard and family moved to Canyon the past week where three of his children are attending school.

Wayside school closed Wednesday to allow pupils to go to the Tri-State Fair.

W. H. Hamblen and W. I. Lane made a business trip to Claude Monday, visited the Tri-State Fair, stopped at Happy and then home.

W. C. McGehee and wife and Mrs. Joe Smith visited Northwest Texas Hospital Monday night and returned. They visited Merle and Mother Carter. The latter was cheerful, the former was resting.

Lowe McGehee from Fritz was a Wayside caller Tuesday.

Dinner guests with Mrs. Bessie Lane Sunday were Rev. J. R. Plant, wife and son, Miss May, W. C. McGehee, wife and sons.

W. D. and M. L. McGehee made a business trip to Amarillo Monday.

Help Keep Canyon Clean!

## Acid Stomach Big Factor in Causing Ulcers

Don't let too much acid ruin your stomach. Take Dr. Emil's Adia Tablets and quickly overcome acid conditions, heartburn, sour stomach, indigestion. Jarrett Drug Company.

## WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxatives or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a more movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resistant a substitute. 25c at drug stores. © 1931 C. M. Co.

## Ross Retains Lightie Title

In a fierce return match with Tony Canzoneri, from whom he had won the lightweight championship three months before, Barney Ross, Chicago scrapper, retained his crown. The fight, which was won after a comeback by Ross in the final rounds, was close, and a couple of low blows by Canzoneri decided the issue. The above photo shows the two battling in the eighth round of their Gotham fight.

## MOVED!

We have moved our furniture store from the building on the southeast corner of the square to the Black building formerly occupied by the Canyon Supply Company on the northeast corner of the square.

By adjoining our furniture store with our hardware store, we hope to be able to offer you a better service in both lines than ever before.

You are cordially invited to visit us in our new location and to see our many suggestions for furnishing your home.

Note in particular our showing of floor lamps, table lamps, and bridge lamps in our windows. Add to the joy of your winter evenings at home by having one of these installed in your home now.

### WORTHWHILE CLUB

**MEETS WITH MRS. SCOWAN**  
Mrs. H. J. Scowan was hostess to the Worthwhile Club Wednesday, September 20th at her home at 2100 Seventh Avenue. After the social hour of handwork, Mrs. F. A. Thomas had charge of the program and read from her scrapbook interesting hints about the home.

Members answered roll call by giving names of their favorite religious and popular songs.

Refreshments of sandwiches and hot chocolate were served to the following: Mrs. W. T. Davis, Mrs. F. A. Thomas, Mrs. W. L. Johnson, Mrs. W. H. McKee, Mrs. W. G. Harris, Mrs. Charles, Mrs. Otto Samuelson, Mrs. A. M. Smith.

### STINNETT COUPLE

**MARRIED HERE**  
Miss Ruth Frances Reed and Ernest F. Koen of Stinnett were married Sunday at the Methodist parsonage, Rev. C. W. Foote officiating.

They will make their home in Stinnett where the groom is engaged in business.

### BAPTIST W. M. S.

#### MEETS TUESDAY

Members of the Women's Missionary Society of the Baptist Church met Tuesday at the church for a service in observation of the National Week of Prayer. The group met at the close of the morning preaching service conducted by Rev. J. C. Sizemore.

Following a short business session with Mrs. Frank Hicks, the president presiding, lunch was served.

The afternoon's program was in charge of Mrs. Lorenzo Wirt, with the discussion being on "Missions in Our State." The topics were discussed as follows:

Our Spanish People—Mrs. T. H. Knighton.

Our Debtorship—Mrs. W. T. Davis.

Missions in our State—Mrs. George Stanley.

Life of Baylor College for Women—Mrs. C. C. Sudham.

Look on Texas—Mrs. Terry.

Our Russian Work—Mrs. W. J. Hinkle.

Texas Greatest Need—Mrs. A. B. Holt.

The Negro Women—Mrs. T. S. Furlow.

The meeting was closed by short prayers being offered by each member for the success of the revival meeting now in session at the Baptist Church.

### MISS SHACKELFORD WEDS

#### CLARENDON MAN SUNDAY

The marriage of Miss Viola Shackelford, daughter of Mr. and Mrs. W. G. Shackelford of Canyon, to Mr. Homer Bones of Clarendon, took place Sunday afternoon at the home of the bride's parents with Rev. C. W. Foote officiating.

The bride, who has lived in Canyon several years and has attended college at W. T. S. T. C., has recently been employed as a beauty parlor operator in Clarendon and later in Memphis. She was associated with the Terry Beauty Salon in Canyon one year, during which time she received her training.

The young couple will make their home in Clarendon where Mr. Bones is engaged in business.

### A. A. U. W. TO

#### HOLD MEETING

The A. A. U. W. will hold its first meeting of the year at the home of Mrs. T. B. McCarter, president, Monday evening, October 2. A buffet supper, at which the executive committee will be hostesses, will be served at 6:30 and will be followed by the business session.

Women of Canyon who are eligible to membership and who expect to join the organization this year are urged to call Miss Ruth Lowes, membership chairman, anytime Friday for supper reservations.

### JR. WOMAN'S CLUB

#### MET MONDAY AFTERNOON

Meeting for its first time this fall, the Junior Woman's Club had as its subject of study Monday afternoon "Pottery." Members answered roll call by giving an item pertaining to art.

Mrs. J. A. Hill was elected to honorary membership in the club.

Mrs. Carl Scott had charge of the program and discussed the "History of Pottery." Following are the other topics pertaining to pottery which were discussed:

Chinese Pottery—Mrs. M. L. Sad-doris.

English Pottery—Mrs. Harry Wood.

Mexican Pottery—Mrs. F. F. Ferrell.

Indian Pottery—Mrs. Mitchell Jones.

Early American Pottery: (a) Rookwood Pottery—Mrs. John Jackson; (b) Sophie Newcomb Pottery—Mrs. Herschel Jennings.

Modern American Pottery: (a) Roseville Pottery—Mrs. Winfield Miller; (b) Van Briggles Pottery—Miss Nancy Strain.

Miss Strain told of her visit to the Van Briggles Shop at Colorado Springs and exhibited pieces of the pottery made there.

Other members on the program also displayed pieces representing the line of pottery they discussed.

### BLUEBONNET NEEDLE CLUB

#### WITH MRS. W. E. MILLER

Garden flowers in artistic arrangement made an attractive setting for the entertainment of the Bluebonnet Needle Club when they met at the home of Mrs. Winfield Miller at 1108 Seventh Avenue, Thursday afternoon.

At the business meeting Mrs. W. L. Smith, Mrs. Aubrey Fox, and Mrs. Tom Kay were voted in as new club members.

After an hour of needle work, a delectable salad course was served to the following: Mrs. Norval Dickerson, Mrs. Glen Costley, Mrs. George Small, Mrs. Tolley, Mrs. W. H. Upchurch, Mrs. Aubrey Fox, and Mrs. Tom Kay.

### BAPTIST Y. W. A. MEETS

#### WITH MARY LEE COOPER

The Y. W. A. of the First Baptist church met Monday evening at the home of Miss Mary Lee Cooper. The meeting was opened with a brief business session in which Miss Helen Heath was elected first vice president to fill the vacancy left by Miss Juanita Campbell. After the business session, the meeting was converted into a "suit-case social." Refreshments were served to twelve old members, five new members and two visitors.

### MISS RUBY ZACHRY

#### WEDS CHARLIE DAVIS

News was received recently of the marriage of Miss Ruby Zachry of Happy and Mr. Charlie Davis, also of Happy. Particulars of the wedding were not available, other than that the ceremony was performed in Oklahoma on Sunday, September 19.

Mrs. Davis is an ex-student of W. T. S. T. C. and a former operator and student at the Terry Beauty Salon here.

The couple plan to make their home on his farm eighteen miles west of Happy.

### REBEKAH LODGE

#### MEETS TUESDAY

The Canyon Rebekah Lodge met Tuesday evening at the I. O. O. F. Hall with two visiting sisters present. Mrs. Barlow of Austin and Mrs. S. F. Bengt of Waynoka, Oklahoma, guests, told of the work being done by the lodges in their respective cities.

Those present were: Mrs. Mildred Sullivan, Mrs. Nannie Myers, Mrs. Winnie Gibbs, Mrs. Winnie Louder, Mrs. Dollie Taylor, Mrs. Margaret Cole, Miss Mae Warren, Mrs. A. K. McBride.

### SUNNY HILL CLUB

#### MET THURSDAY

The Sunny Hill Home Demonstration club met Thursday at the home of Mrs. G. W. Lash.

Mrs. Otto Lehnick gave an interesting report on her trip to the Short Course at College Station.

Refreshments were served by the hostess to seven members and two visitors. The next meeting will be with Mrs. Jennings on October 3.

### EPISCOPAL CHURCH

#### Rev. Warwick Aiken, of Plain-

view, will conduct the service and preach at the Episcopal Church, next Sunday night, October first, at eight o'clock. All students and faculty members are cordially invited to hear him.

Students who have no other church affiliation are especially invited to be present, and to worship with us while in Canyon, especially those who can sing. This co-operation will be greatly appreciated by the rector and members of the church.

Miss Bernice Bessie, who is teaching at Sanford was in Canyon visiting her family last Saturday and Sunday.

## Hales Farms Win Honors With Holsteins at the Fair

The Hales Farms of Randall county, owned by H. B. Hales and Sons, were again big winners at the Tri-State Fair with the Holstein herd which has become famous in Texas. This herd won more places in the show than any exhibitor at the fair.

The following honors came to Randall county in the Holstein class:

Junior Champion bull: Hales Farms.

Bull, 3 years and over: 1st, Hales Farms.

Bull, senior yearling: 1st, Hales Farms.

Bull, junior yearling: 2nd, Hales Farms.

Bull, senior calf: 2nd, Hales Farms.

Bull, junior calf: 2nd, Hales Farms.

Cow, 4 years and over: 2nd, 3rd, Hales Farms.

Cow, 3 years and under 4: 1st, Hales Farms.

Heifer, 2 years and under 3: 1st, Hales Farms.

Heifer, junior yearling: 1st, 3rd, Hales Farms.

Heifer, senior calf: 1st, Ray Gowdy; 3rd, Hales Farms.

Heifer, junior calf: 2nd, 3rd, Hales Farms.

Young herd: 2nd, Hales Farms.

Calf herd: 1st, Hales Farms.

County herd: 1st, Randall county.

Get of sire: 2nd, 3rd, Hales Farms.

Produce of dam: Hales Farms.

### Jowell Items

Sunday, October 1, promptly at 10 a. m. all are invited to meet at the school house for the purpose of organizing a Sunday School. We hope every one in the community and anyone else interested will be with us at this hour.

There was good attendance at church Sunday. Rev. Lindley delivered two good sermons.

Rev. and Mrs. Lindley were dinner guests in the H. F. Garvin home Sunday.

Mr. and Mrs. C. B. Pewell and family spent Sunday in Canyon with Mrs. Mary Burtz.

A number of people in this community are planning to attend the fair in Amarillo this week.

Mrs. H. F. Garvin and Mrs. Robertson visited with Mrs. Louis Hinders Wednesday afternoon.

Mr. and Mrs. Springer and family spent Sunday with Mr. and Mrs. C. P. Robertson.

Mrs. Dodson is visiting her son, V. E. Dodson, this week.

### Johnson Items

Mr. and Mrs. A. P. Donnell of Silverton and Mrs. L. A. Donnell spent Thursday in the Clarence J. Bauer home. Mr. Donnell and Mrs. Bauer were celebrating their birthdays which were September 20.

Several ladies and girls of the Home Demonstration club and the 4-H club won first places on exhibits on work for the fair. The 4-H club girls scored exceptionally well.

School was dismissed Tuesday in order that all the school children might attend the fair.

J. J. Bauer took Hugo Fehr to Plainview Monday where Mr. Fehr had an infection on his neck treated in the Plainview Sanitarium.

Mr. and Mrs. T. H. McDonald of Pampa spent the week end with Mr. and Mrs. Lee Johnson and other friends in Canyon.

Mrs. E. A. Armstrong and Mrs. E. W. Webster of Amarillo were business callers at the college Tuesday.

Coach L. T. Barksdale of Littlefield visited friends in Canyon Sunday.

Mrs. Geraldine Green spent part of Tuesday afternoon in Amarillo.

## Jean Harlow Weds Again

Jean Harlow, platinum blond screen actress, and her third husband, Harold Rosson, "ace" film cameraman, are shown above shortly after their marriage at Yuma, Ariz. Miss Harlow's first husband was Charles F. McGrew III, prominent Chicagoan; her second, the late Paul Bern, film studio executive, who ended his life about a year ago.

## Tierra Blanca Wins With Poland China Hogs at Tri-State

The Tierra Blanca Farms of Randall county won in the Poland China show at the Tri-State Fair as well as in the Duroc Jersey dairy show.

The following places were won with the Poland China herd:

Aged boar: 2nd.

Senior yearling boar: 1st.

Junior yearling boar: 2nd, 3rd.

Senior boar pig: 3rd and 4th.

Junior boar pig: 3rd and 4th.

Aged sow: 1st.

Senior yearling sow: 1st.

Junior yearling sow: 3rd and 4th.

Senior sow pig: 1st and 2nd.

Junior sow pig: 3rd and 4th.

Aged herd and breeders aged herd: 2nd.

Young herd and breeders young herd: Get of sire; Produce of dam: 3rd and 4th, Tierra Blanca.

### LOCAL NEWS

Mrs. N. E. McIntire visited in Tulsa Sunday with Mr. and Mrs. G. C. Hutchinson.

Mr. and Mrs. Lige Frieze spent Sunday in Lubbock as guests of Mr. and Mrs. Ed Filley. Mr. and Mrs. George Terry accompanied them to Hale Center where they visited Mr. Terry's parents.

Mr. and Mrs. R. J. Spencer visited in Hereford and Adrian Sunday. They were guests of Mr. and Mrs. C. Glascoff at Adrian.

John Jacobsen and Miss Louise Jacobsen spent Sunday at their home in Hereford. They were accompanied by Miss Nell Freeman, who was a guest in their home.

Ed Weeks made a business trip to Chillicothe Monday.

Orville Donnell, formerly with the Fox Drug in Amarillo as assistant manager of one of their stores, has moved to Canyon and will be employed by the Jarrett Drug Store.

F. C. Cole and Mr. and Mrs. C. H. Rose and daughter, Lucy Dean of Lockney, attended the funeral of Rev. J. T. Burnett Saturday afternoon. Mr. Cole is a brother of Mrs. Burnett.

### FIRST CHURCH OF CHRIST

#### SCIENTIST

Services every Sunday at 11 a. m. and Wednesday at 8 p. m., when experiences, testimonies and remarks on Christian Science are given. Sunday school meets at 9:45. All under twenty years of age are invited to attend these classes.

Subject for Sunday, "Unreality." A reading room is maintained in the church from 3 to 5 on Thursdays, excepting holidays, where the Bible and authorized Christian Science literature may be read, purchased or borrowed. The public is cordially invited to attend these services and to visit the reading room.

Somebody said that invariably good cooking makes good husbands. Well, we know some husbands who seem to have improved after a good roasting.

Every man owes a duty to his country. Some pay and others want the country to pay them.

English peddlers do not cry their wares, but wear signs asking those interested to "stop me." A good idea for American joke tellers.

A woman writer thinks women should be given the job of running the world. Just as if a lot of them weren't trying to do it now.

## Byrd's 1933 Expedition May Result in New Antarctic Lands for U. S.

ON his second trip to the South Pole, Admiral Richard E. Byrd hopes to map half a million square miles of new territory which he claimed for the United States on his 1929 expedition.

By this time, Byrd believes, the ice which blotted out this land and prevented it from being charted on his first visit, will have receded, exposing vast areas of unexplored land between the Pole and South America.

In addition, Admiral Byrd hopes to learn the extent of deposits of oil, coal and other natural resources in the polar region. "There is an unlimited supply of coal some 300 miles north of the Pole," Byrd has stated. "There also should be an abundance of oil." Climatic conditions will have to change, though, and the land become inhabitable, before the commercial possibilities of these stores may be exploited.

The study of cosmic rays and other unsolved problems of science which lie at the bottom of the world will be undertaken by scientists who will accompany Byrd. Two meteorologists will study the Antarctic weather—which holds the key to climatic conditions on the South American continent. In all, the expedition is expected to serve 10 branches of science.

SEVENTY men—20 of them alumni of the 1929 expedition—will form Byrd's crew on the two-year trip. The admiral's headquarters vessel will be the 61-year-old Coast Guard cutter, Bear, famed for its rescues in Arctic waters. The Bear's companion will be a 2500-ton steam vessel, Pacific Fir. In addition to a large, two-motored biplane

The giant biplane in which Admiral Byrd, top right, will fly over unexplored Antarctic regions is shown above at left. Below is the Coast Guard cutter, Bear, famed rescue ship. Inset is a map showing the approximate location of land Byrd hopes to find, and the route of his 1929 expedition.

and an autogiro—the latter to permit Byrd to land vertically on the South Pole—the ships will carry some 14,000 pieces of equipment, donated by American manufacturers. Col. Jacob Ruppert, millionaire brewer and owner of the New York Yankees, and John D. Rockefeller, Jr., are reported to have aided in making the expedition financially possible.

Admiral Byrd expects to reach Little America by Jan. 1, 1934. Here he hopes to find and recon- dition two radio masts, two air- planes, the houses of the original camp and a store of gasoline, left

behind at the end of the previous expedition.

With his full equipment of aircraft, Admiral Byrd said he hopes to do "10 times as much flying as before," and to determine by direct examination from the air whether or not the new territory claimed for the United States on the first expedition is a new continent.

In April of next year, the four-month-long Arctic winter begins. Thirty-eight of Byrd's men will remain on the ice. The others will return to New Zealand to await completion of the work, probably about January, 1935.

## Tierra Blanca Hog Farm Takes Leading Place at Fair

Duroc Jerseys from the Tierra Blanca Hog Farm, east of Canyon, won most of the big prizes offered at the Tri-State Fair at Amarillo. The following places were awarded to the Randall county entry:

Produce of dam; fourth, fifth.

## Amarillo Boy Is Made Equipment Manager for Buffs

Gerald Brown, a graduate of Amarillo College, class of 1933, has been appointed equipment manager for the West Texas State Teachers College Buffaloes.

Brown will make all trips with the Buffalo herd, will be responsible for the equipment, and his services are expected to save the college many dollars during his year's work.

Members of the team and of the college athletic committee, including Coach Al Baggett, are much pleased with his appointment.

Mrs. George W. Walters of Houston arrived Saturday to visit at the parental John T. Wiley home. Mr. and Mrs. John T. Wiley, Jr., and Miss Almada Wiley of Borger joined her here for the week end.

## Trailer Will Be Home For Two College Studes

Max T. Nuttall, 19, and Ancell B. Leonard, 20, both of Borger, brought their home with them when they came to Canyon yesterday to enter W. T. The home is a trailer skillfully built and well equipped.

The boys have already lived in it a year while attending school elsewhere. An inspection of it by Dean of Men Harris M. Cook, revealed that the trailer is equipped with a comfortable bed, a stove which serves for both cooking and heating purposes, a clothes closet, tables and chairs necessary for rea-

sonably comfortable living. President J. A. Hill found the boys a location for their house on a vacant lot, and both of them have settled down for work.

The trailer-house cost the boys exactly \$1.75 in money plus scrap materials which they secured for the asking from various places in Borger.

Nuttall is a freshman and Leonard is classified as a junior.

A. S. Rollins of Dallas was a business caller in the city Tuesday.

G. W. Elliston of Childress is visiting at the home of his son, Karl Elliston.

Victor P. Hill left last week for College Station where he will attend A. & M. College this year.

## Try Urschel Kidnapers

As a result of gangland threats, guards equipped with machine guns guarded entrances to the United States' Courthouse in Oklahoma City, Okla., while the trial of 12 persons accused of the kidnaping of Charles F. Urschel, millionaire oil man, swung under way. Harvey Bailey (C), America's No. 1 "Bad Man," his confederate, Albert L. Bates (D), and Mr. and Mrs. R. G. Shannon (B) and (A), are shown above in the courtroom as the trial began. Bailey is accused of being the "master mind" in the plot, Bates of the actual kidnaping, and the Shannons of harboring the kidnapers. Just before taking the witness stand, Urschel, shown in- set, received from George (Machine Gun) Kelly, fugitive desperado, a threatening letter. 9

## EAGLES TAKE OPENING GAME FRIDAY NIGHT FROM DUMAS HIGH BY SCORE OF 39 TO 7

### Faculty Study Club Has Been Reorganized

The Faculty Study club has been reorganized for the years of 1933 and 1934. It will meet once a month in the Home Economics room of the high school. For the month of September it is studying "Reviews of Articles from Current Magazines."

The committee for the arrangement of faculty study made the following assignments for this month. The chairman of the program committee is Mr. Fox. Those on the program and Miss Foster. The refreshment committee, composed of Miss Jordan, Miss Gamble, Mrs. Cousins, and the chairman, Mrs. Goodrich, will serve the refreshments at the first meeting.

### Music Department Under Mrs. Barker Reorganizes

There has been organized this year, under the supervision of Mrs. Barker, an orchestra, band, glee club, violin choir, and a beginners' violin class.

Last year was the first year for the orchestra, but it has progressed very rapidly. This year it has fifteen members. They are: Ruby Foster, Patricia Wederbrook, Lorette Bessire, Estelle Purlow, Betty Ruth Solomon, Rosa Cash, and Glen Olson, who play violins; Bob Orton and Florence Root, who play cornets; Loretta Cole and Jack Oldham, who play saxophones; Lorenzo Wirt and Glen Veteski who play clarinets; Mary Strain who plays baritone, and Robbie Foster, who plays the piano.

In the glee club there are twenty-nine girls taking part. They are: Dell Bagley, Lorette Bessire, Gwen Byers, Myrtle Whitlow, Mildred Clounch, Wilma Cofer, Loretta Cole, Lucille Cox, Mary Ella Davis, Billie Bee Flesher, Robbie Foster, Ruby Foster, Lucy Mae Furlow, Ruby Guthrie, Mavis Hardin, Pauline Harris, Geryl Dean Heath, Mary Ellen Hurst, Lena Wade Jennings, Martha Johnson, Gladys Nicholas, Betty Ruth Solomon, Claudie Pae Teal, Yvonne Thomas, Irene Thompson, Lavena Watkins, and Mary Lee West.

Mrs. Barker has recently organized a beginners' violin class. The members are: Lena Wade Jennings, Lelabel Johnson, and Robbie Foster.

Mrs. Barker states that she would like to give a concert some time during the year, but owing to the lack of funds she does not know whether it will be possible or not.

Mrs. Barker states that she would like to give a concert some time during the year, but owing to the lack of funds she does not know whether it will be possible or not.

### Flies Seem to Be Enemy of Most Students

Flies, flies, flies! Oh, those awful flies!

It is very annoying to attempt to draw a straight line with a fly buzzing around your hand. And the poor person that tries to can beans with flies around has a hard time. No one likes to give an oral report and keep flies off of his nose at the same time. They, the flies, are very persistent. No matter how many things you say or how many times you knock flies off, they come right back.

Miss Brasuel just brings her fly swatter along with her, and when a fly bothers her, whack! Out that fly is! Maybe electric fly swatters will be installed in each school room 30 years from now.

Cold weather may be bad, but it at least doesn't bring a bunch of flies that make you forget your good Christian morals and say things you shouldn't.

Flies, flies, flies! Oh, those awful flies!

### Loyalty Campaign of Grade School Won by 7A Grade

The Loyalty Campaign, which has been in progress for the past week closed Thursday, September 21, with the 7A class as winners.

The purpose of this campaign was to sell as many Student Activity tickets as possible to the students in their classes. The 7A class sold sixteen tickets, while the 7B, 6A and 6B sold six each.

Coach Jones' Eagles got off to a good season's start last Friday night at Buffalo Stadium when they turned back the Dumas Demons by the decisive score of 39 to 7.

Led by the line plunging of "Speck" Williams, the sweeping end runs of Slack and Cox, and the pass tossing of Slack, the outcome was never in doubt after the first quarter. Johnnie Wilson, Eagle flash made the longest run from scrimmage. Wilson took a pass from Slack early in the third quarter and wormed his way 60 yards down the field for the local's fourth touchdown.

Frequent fumbles and poor interference made it hard for the Dumas ball toters to gain through that stubborn Eagle defense. Mills and Watkins bore the brunt of the Demon ball totting while Hardaway, Bostick and Burckett were playing the best defensive and offensive games for the visitors.

Elliston, Brasuel, Wooten, the Cox brothers, and Slack were the Eagles' stars, both on the offensive and defensive.

Coach Jones will spend this week ironing the wrinkles out of his squad so that they will be in the best of condition next Saturday night when they entertain the powerful Panhandle Panthers at the Buffalo Stadium.

Starting line-up:

Canyon	Dumas
C. Elliston	Kirkland
L. E.—R. E.	
W. Childress	Dunn
L. T.—R. T.	
W. Cox	Hardaway
L. G.—R. G.	
C. Wooten	Burckett
Center	
A. Brasuel	Curley
R. G.—L. G.	
D. Gerald	Bostick
R. T.—L. T.	
P. Elliston	Feltz
R. E.—L. E.	
W. Williams	Watson
Q.	
L. Clounch	R. Mills
H.	
S. Cox	Geary
H.	
T. V. Slack	Butler
P.	

Summary of game:  
Scoring: Touchdowns: Slack 1, Wilson 1, Williams 3, Geary 1. Points after touchdown: Slack 3, place kick, Watkins, 1.  
First downs: Canyon 19, Dumas 7.

Passes: Canyon tried 10, completed 5 for 101 yards, and 1 was intercepted. Dumas tried 20, completed 6 for 88 yards.

### Various Clubs Plan Activities for Coming Year

Many of the clubs of Canyon High School are planning to operate on the same plan as the preceding year.

Miss Angel will direct the dramatic club this year.

Coach Jones will sponsor the Boys' Athletic club.

The Spanish students will have only one club this year instead of two as last year. Miss Foster will continue to have this club.

Miss Jordan is sponsoring the Latin club.

The Tawamana, or Girls' Athletic club is under the leadership of Miss Murrell again.

Miss Brasuel has charge of the Home Economics club.

Miss Goodrich has charge of the Press club and printing of the Eagles Tale.

This year the Girl Scouts meet each Wednesday for their club work, under the direction of Miss Goodrich.

### Jordan Appoints Nine Girls To Work in Library

A very interesting work and activity in Canyon High School is the work of the library. Students at the beginning of each year look forward to this appointment.

Miss Jordan appoints two girls to do this work for each period. These girls attend to the checking out of fiction books, and all types of references. The following girls are scheduled for this work: Billie Bee Flesher.

8:30 to 10:00, Ruth McCreery and 10:00 to 11:00, Neva Lois Miller. 11:00 to 12:00, Arnetta Kirkpatrick. 1:00 to 2:00, Laura Fern Brian and Dora Mae Plaster.

2:00 to 3:10, Winnie Dee Hicks and Edith Steen.  
Lee Christine Cousins is an assistant from 8:30 to 9:00 on Wednesday and Friday mornings.

### Football Schedule

Sept. 30, Panhandle (Here)  
Oct. 6, Open.  
Oct. 13, Ft. Worth (Here).  
Oct. 20, Happy, (There).  
Oct. 27, White Deer (Here)  
Nov. 3, Tulsa, (There).  
Nov. 10, Hereford, (Here).

### P. T. A. Begins Active Work For This Year

The Parent Teachers' Association met Thursday afternoon in the high school auditorium, Mrs. Robinson, the president, called the meeting to order. Mrs. Carl Laugher's resignation as secretary was accepted and Mrs. M. L. Sadoris was elected to fill her place.

The program of the afternoon consisted of two duet numbers, "Glowworm," and "Ragamuffin," given by Mrs. J. D. Barker and Mrs. Margaret Foster, and a reading, "Willie, the Angelic Child," given by Miss Irene Angel.

The next meeting will be held at 8:00 o'clock p. m., the third Thursday in October in the grade school gymnasium. There will be a reception for Mrs. J. E. Griggs, the District President of the Parent Teachers' Association. Mrs. Griggs will be the speaker of the evening.

### Good Sportsman- ship is Shown by High School Girl

Last Monday several of the girls of the upper classes bought the pep suits that were left by the senior pep girls of 1933.

Christine Shackleford was rather unfortunate, due to the fact that most of the skirts her size were already sold. Marjorie Tankersley's skirt was the only skirt left.

Christine, however, was not to be stopped merely because the skirt was several times too small. She bought the skirt in order that she might back those High School Eagles on to victory. There was some material left from last year's skirts, and Christine took this and made a new skirt. Hooray! For good sportsmanship.

### White Peps Add New Life To School Spirit

Ship ahoy, Canyon High, eighteen white sails coming down the main! "Fluttering and dancing in the breeze!" Oh, but pardon us, those aren't sails; they're the White Peps, the freshmen girls' pep squad.

And are they peppy? They're the liveliest bunch in school, and the school is proud of them. Thursday, when they wore their white skirts and sweaters, and laughed and giggled in the halls and classes, and walked and skipped with that air of conscious pride, a feeling of excitement and hilarity permeated the whole school. It made everyone "smiley" and gay, and for once the so-called upper classmen laughed with the freshmen and not at them. There was an atmosphere of friendliness and oneness of seniors and freshmen, and the whole school liked it.

Proud of them? and with them? Of course everyone is. Football boys, maybe they are your little ships. Do you remember, "when my ship comes in"? Maybe each girl was a ship for some of you who went on the field Friday night. Maybe that was what made the score so high. Maybe that is what made you fight! fight! till the last whistle! Maybe your seeing how well they, an outstanding white letter between two purple ones, did their part in their first stunt made you want to do something outstanding too, in your first stunt.

The school is for you, Freshmen White Peps, 100 per cent. It is glad you're in it. Come on, pep up the whole school! Go on ahead, the school will follow the lead of pep and gaiety which you help to create. More power to you, and the whole hearted support of the school, too, little white ships.

CLUB ANNOUNCEMENTS  
The following high school clubs will meet at 3:00 o'clock on the following schedule for each month. Press club, each Monday. Girl Scouts, each Wednesday. El Circulo Castellano (Spanish) first Tuesday in each month. S. P. Q. R., (Latin) first and third Fridays.

Tawamana, second and fourth Tuesdays. Home Economics, first and third Tuesdays. Pep squads, call meetings. Class meetings, call meetings.

Help Keep Canyon Clean!

### Conservatives and Liberals Clash In Campaign

Monday afternoon, at activity period the Liberal and Conservative parties were organized for the election of the Student Council president.

The classes were equally divided, and the parties met to nominate candidates for the presidency.

Bob Orton is campaign manager for the Conservative party, and after several nominations, Ernest Duncan was elected, by a large majority as a candidate for presidency from the Conservative party. The party believes that Ernest will make an outstanding president and are intending to put him over.

Jack Oldham is campaign manager for the Liberal party, and after various speeches on the responsibility of the president, Francis Elliston was elected unanimously. The Liberal party has great confidence in the ability of "Scoop" and is planning to support him 100 per cent.

Publicity committees and the committees for the development of the platform for each of the parties were appointed along with financiers, speakers and poster makers.

Posters and streamers to give publicity, and party meetings are being held to promote enthusiasm in the election.

The president of the Student Council is to lead the council and to interpret, to the high school principal, the sentiments and feelings of the student body.

### Terry Makes Pep Girls Erase Pep Signs With Shoes

Do you know the history back of that dirty-blurred sign in front of the school building? If you were not at the school building the day the pep girls painted megaphones, you missed the sight of your life. As they were painting, a wee idea popped into some of the girls' heads. "When we're through, if there's enough paint left, let's paint a sign in front of the building on the side walk, saying 'fight 'em Eagles'!"

Yes that ought to instill a fighting spirit in everybody as he goes to and from school. By this time the idea had progressed, so that the first two words were on the side walk in sticky white paint, when who should appear on the scene! No other than Mr. George Terry, who detests seeing signs on sidewalks that stay on two or three years; and beside, the lettering was crude!

So, his method of removing the unsightly sign was for the girls to put dirt on the fresh paint and scour the paint off with their shoes.

The girls feel that they wasted a great deal of energy and, furthermore, prosperity is not yet in full swing and it wore off part of their shoe soles.

### Pep Squad Gives Stunt at Dumas- Canyon Game

With Mrs. Barker's high school band playing a snappy march the Canyon High School pep squad marched out on Buffalo field Friday night, to give a stunt to open the football season in a big manner for its school. Due to the co-operation of the girls and faithful work of their sponsor, Mrs. Foster, the stunt proved to be very pretty.

The new addition of the White P P squad, added much to the stunt. The Purple Peps formed a C and S, while the White Peps formed an H in the center. The girls went down in domino style and came up on a cyclone. Before marching off the field the girls gave some yells.

### Girl Scouts Have Hike Saturday At Wragge's Park

Saturday morning the High School Scout troop went to Wragge's Park for an all-day picnic.

Upon arrival, the Scouts dug a hole about two feet deep which they lined with flat rock. After a fire had burned about an hour in this hole, a Dutch oven in which there were layers of steak and Irish potatoes was lowered into the hole and the hot rocks were pushed against the pot. When it was completely covered with dirt. After staying thus for almost an hour it was unearthed and its contents served for the noon meal with relish.

The Scouts returned home at 2:00 o'clock p. m., after several varied activities.

### Plaster, Oldham and Cluck Win Blue Ribbon

Have you noticed the blue ribbon on the bulletin board? It was won by a poster made last spring by Pay Plaster, Evelyn Cluck and Marielle Oldham under the supervision of Mr. Cleveland Jones.

The poster represented a fire devil eating his favorite menu, a platter of houses, cars, and buildings on fire. On the poster was printed, "His favorite meal," "Be-ware," "Don't prepare this menu."

It was the first poster winning from Canyon Public School. It went first to Amarillo and entered an exhibit there. Then it was sent to state where it won a state premium and went on exhibit to seven different state teachers colleges with a group of winning posters from other schools in Texas.

### Posts on Football Field are Only Imitation Foes

No doubt you have all noticed the opposing football team on the Eagles' field, or maybe you just haven't recognized it. You may even stop and ask someone, who looks wise, who it represents. Most usually the answer will be, "Hereford." Maybe it doesn't look enough like a team for you to know. Well, really, the players are dummies.

It is very interesting to watch our own intelligent Eagle men chase each other around these dummies and then fall against them to rest.

An elderly man from the country stopped to watch the Eagles practice one afternoon. He could not understand what the players were doing with those posts. When he went to town he met the superintendent and asked, "Do you have a group of insane men at Canyon High this year? I saw them trying to knock down posts with their shoulders. Tell them I wouldn't mind lending them my post-hole digger if they will only ask for it." That's what people who do not understand football, say about the Eagles.

One dummy team thought it could down our Eagle men by sliding but it soon found that was impossible, for, if you will notice, that dummy slide is broken. Yes, it was downed by our men.

The Eagle men get into their formation and tackle the dummies, while one man runs for a touchdown. This increased the tackling and running ability of the team.

With the dummies to help them train, we are sure the Eagles will be victorious in every game.

### Hicks and Sizemore Speak to Students on Chapel Program

A special assembly was held Wednesday, Sept. 20, when Mr. Caruth introduced Rev. Hicks of the First Baptist church of Canyon. Rev. Hicks presented to the students Rev. Sizemore, pastor of the Tabernacle Baptist Church in Amarillo, who is conducting a revival meeting at the First Baptist Church of Canyon.

Both Rev. Hicks and Rev. Sizemore gave interesting and worthwhile talks. They invited everyone to be present at the revival services held each night at the First Baptist Church. The revival began Sunday night, Sept. 17, and will continue through Sunday night, Oct. 1.

### Students Are Required To Cover Books

Friday, September 22 at 9:00 o'clock, all books of Canyon High School were inspected by the instructors of the various classes. Most students either had their books sufficiently covered or managed by fair means or foul to prepare an excuse. Numerous answers were given.

Those few remaining uncovered books are from cover to cover filled with more than mere words, they are to be respected, friends. Think of them as such.

Strange as it seems these identical students have been seen asking in a bewildered manner how the preposers managed to tear up the indicated text-book so badly. Think of the other fellow!

THE IMPORTANCE OF VOTING  
Are you going to vote for President of the Student Council? Perhaps you do not realize the real importance of voting. You vote to help some one, who is capable of holding a position, to win.

Our school is facing an important crisis. Choosing a school president is very important indeed. It is your duty to vote for the person who will make the best man for the position.

All good citizens vote. We are all citizens of our school and town; although we are not old enough to vote in nation wide elections, we are qualified to vote in school affairs. In only a few years it will be the privilege of every student of Canyon High School to vote and to help assist in national politics. Now is your opportunity to get acquainted with elections and voting. Begin at an early age and vote for President of the Student Council. It is important that you vote.

### High School Girl Scouts Plan Hike at Scout Meeting

In the High School Scout meeting Wednesday, September 20, the time was spent in discussing the plans for an all day hike Saturday.

Miss Goodrich, the captain, told of the plans she had made for this hike. All Scouts were to work on second class Scout work. It was decided that the scouts should meet at 9:30 a. m. at the Scout lodge and probably go to Wragge's place. The Scouts were to be home around 2:00 o'clock. If a life saver could be taken on the hike, the Scouts would be allowed to go in swimming. The menu for the dinner meal was discussed, with the captain's original dish being used as the chief dish of the meal.

### Chapel

"Our hearts are filled with gladness and pride in Canyon High. We'll play the game the live long day."

So rang out the words of the school song as the entire student body, including teachers, pep squad, football boys, and other boosters, joined in the pep rally in assembly, Thursday. The speaker of the period, Coach Jones, said: "I'm not promising you we'll win, but I will say that you'll see the fight-enist bunch of football boys that have ever played under the purple and white."

After this short and sincere speech, the pep squad, under the leadership of Bill Price and Mickey Schmitz marched to the front of the room and led the student-body in their singing. In the eyes of every football boy was a look of determination, as he sang, "and then we'll fight, fight, fight for every score, we'll circle ends and then we'll win some more."

In the heart of every girl and teacher was a feeling of pride, as she looked over such a sturdy group of boys, who were to uphold Canyon's good football record. With this spirit of determination that predominated among the boys, and the loyalty and enthusiasm among the girls, it will certainly be a fight, in ball games to come, for any opponent to down the Eagle eleven.

### Canyon People May Pay \$3 For Activity Ticket

Canyon people, you want to see every football game, don't you? And you want to save money, too, don't you? Then buy an activity ticket, save money, and see, besides the football games, all boys' and girls' basketball games, the pep squad and senior plays, the school stunt night, and all of the intramural contests.

An activity ticket costs only \$3.00. Five football games are scheduled to be played here. Charges are 35c a game for townspeople. This makes \$1.75 for football games alone. Basketball games will be \$2.25. These two make a total of \$4.00. The senior and pep squad plays are 35c each. Stunt night costs 25c, and intramural games are 70 cents. These together make \$1.65. The total cost is \$5.65. By buying an activity ticket for \$3.00 you save \$2.65.

That is an amount worth saving isn't it? And you have entered into all school activities and given appreciated support. See a student today and plan to buy an activity ticket.

Help Keep Canyon Clean.

# Tricky Bulldogs Are Too Much For Bisons

## Cow Williams Scores for W. T. in Second Period

The tricky running of Young, 150 pound halfback for Southwestern and the Buffaloes' lack of experience as a team, together took the Buffs to defeat in the season opener at Weatherford, Oklahoma, Friday to the tune of 27-6.

Cow Williams, fullback, scored the Buffs' lone counter in the second period, plunging over after gains of 13, 11, and 8 yards made by Holston, and Williams.

Young's shifty running completely baffled the Bison tacklers, and he returned punts and skirted the ends for long gains. The little back scored in the first period on two long runs of 23 and 12 yards. He broke loose again in the second

period and returned a punt 35 yards into midfield. On the second play he swept around end for 49 yards and a tally.

In the third quarter, Young scored on a short plunge after Dunaway had snugged two passes for a total of 46 yards. Again in the fourth, the fleet half crossed the Bison's goal. He curled end for a 65 yard dash that was called back and on the next play picked up 40 yards at the same place.

Holston, Williams, and Lovelace, a guard, were the outstanding members on the West Texas squad, while Young showed the best ability on the Bulldog line-up.

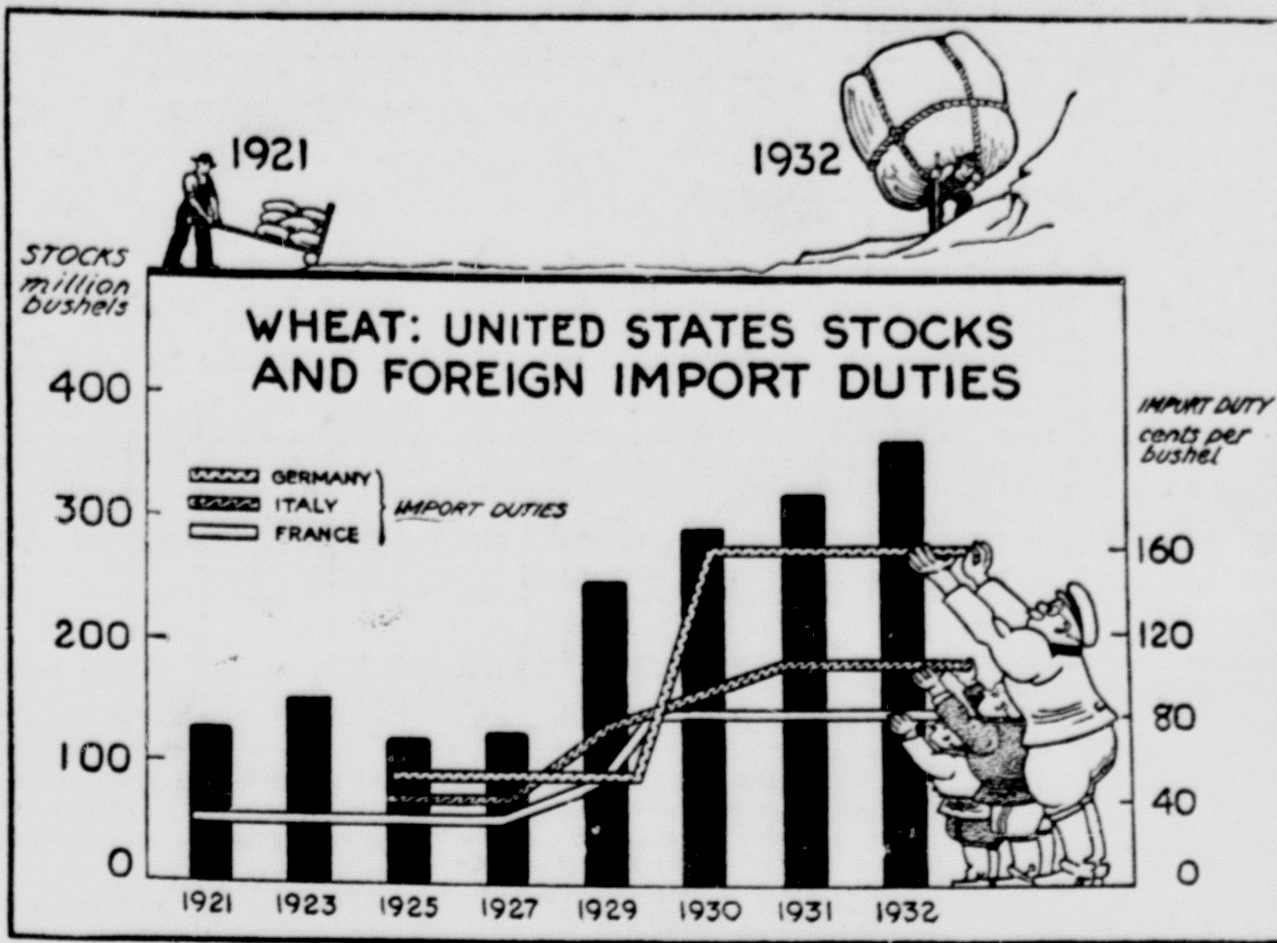

Lovelace, Teague, and Stroud went into the game with injuries, Teague and Stroud playing only a few minutes.

The starting line-up:

West Texas	Southwestern
Boyd	Witherspoon

Manning	L. E.	Sweet
Lovelace	L. T.	English
Poe	L. G.	Kaiser
Moore	C.	Vickers
Walker	R. G.	Kennedy
Kendrick	R. T.	Coppage
Morgan	R. E.	Marshall
Duncan	Q.	Dunaway
Spence	R. H.	Young
Williams	L. H.	Beeson
	F.	

ST. PAUL'S LUTHERAN CHURCH  
5 miles east of Canyon.  
Sunday school at 10 a. m.  
Services, English, at 11 a. m.

As foreign restrictions on our wheat mount higher, more of it piles up in this country. That is the lesson of this chart of United States wheat stocks and the rate of import duty imposed by representative European consuming countries. In 1925 these duties first became general and since that time our wheat

supplies have climbed. The German duty of \$1.62 is highest of all, as the picture shows. Next comes Italy with a duty of \$1.07 a bushel and finally France is lowest with a duty of \$0.85. The black bars, representing the wheat stocks in the United States, show that while these restrictions have been in force, the stocks have climbed to more than 350 million

bushels. Even with the short crop in the United States this year, the black bar representing the stocks for this country a year from now probably will be near the 300 million bushel mark. The following year, if nothing is done to prevent it, the carryover is again likely to be around 350 million bushels.

## Tennis Is To Be College Sport Says Baggett

Coach Baggett has announced that tennis will be undertaken at W. T. as a regular college sport, after a two year lapse of the sport. W. E. Lockhart, who successfully coached the Buffalo tennis team for seven years previous to its abolition as an intercollegiate sport at W. T., will resume the duties of coach.

Tennis was first introduced as a major sport at West Texas in 1924. Mr. Lockhart coaching the first team. In 1931 the game was held to intramural activities.

During the seven active years of tennis, the Bison squad has won two T. I. A. A. championships and taken second the other five times. The W. T. netters have won the Great Plains meet four out of the seven times entered.

Although green material will be abundant, Coach Lockhart will not have a single man of college experience to try out for his squad.

An attempt will be made to match contests with Texas Tech, Amarillo College, N. M. M. I., and possibly a four college meet at Abilene with McMurray, Simmons, and A. C. C. The Great Plains meet will be participated in.

## Lakeside News

Frank Garrett was a business caller in Amarillo Monday.

George Schneider was in Amarillo Saturday on business.

Fred Fegel went to Canyon Tuesday morning.

Mr. and Mrs. Albert Byars were in Canyon Saturday.

Mr. and Mrs. L. T. Campbell and family visited the fair Monday.

Mr. and Mrs. W. M. Graves were shoppers in Canyon Saturday.

The P. T. A. meets Friday night.

## Wilson Items

Mr. and Mrs. L. H. Holman and Willie Mae were in Canyon Saturday.

Mr. and Mrs. Gustav Leseberg Jr., Mr. and Mrs. Jack McBroom and family, Mr. and Mrs. C. Beckman and daughter visited in the Tuck home Sunday.

Mr. and Mrs. L. H. Holman were business callers in Bushland Tuesday.

Mrs. Ben Hayse and Larry Holman visited in the L. H. Holman home Monday evening.

Mr. and Mrs. George Wilmoth visited in the home of Mr. and Mrs. Lloyd Bassett one day this week.

Dora Tuck visited her sister, Mrs. Jack McBroom of Hereford over the week end.

## 'Miss America'

Here is Marion Bergeron, the 16-year-old blond from Westhaven, Conn., who exchanged her title of "Miss Connecticut" for that of "Miss America, 1933," at the Atlantic City Beauty Pageant. Miss Bergeron was selected from 20 interstate beauties by a committee of seven judges.

It's foolish to accept gossip and rumors when there are enough facts in life to keep you interested.

In the midst milk war, it seems that the cows are the only ones that are contented.

## Prospects Bright For Freshman Football Squad

The prospect for a good Freshman football squad is bright for this season. Coach Mitchell Jones has about 30 men out, half of them being experienced high school players.

Due to the fact that the Frosh only started regular training last week, the men are not in good enough shape to form into a regular squad.

Jones has been shifting the men around to find the spot to which each is best adapted.

Among the men out are:

Jackson, Floydada, tackle; McGehee, Happy, fullback; Doherty, Hedley, quarterback; Stockett, Happy, end; Morgan, Comanche (Okla.) halfback; Cowart, Silverton, halfback; Collins, Canyon, end; Thomas, Canyon, tackle; Gilliland, Hereford, center; Allee, Crowell, quarterback; Conway, Paducah, end; McLaurin, O'Donnell, halfback; Montague, Silverton, halfback; Willoughby, Texola, quarterback; Ellis, Electra, end; Whaley, Canyon, quarterback.

## CARD OF THANKS

We take this method of expressing to our many friends our sincere appreciation for their many deeds of kindness and expressions of sympathy in the recent loss of our dear husband and father.

Mrs. J. T. Burnett and family.

Two people can live cheaper than one bachelor in love.

## HINTS ON SHORT CUTS IN PREPARING MEALS

First, do part of the preparation ahead of time then it is quite an easy matter to add the finishing touches just before the meal. Often, the very best way is to plan a roast one day large enough so that there will be a sufficient amount left over for dinner the next day. Nothing could be better than to have some left-over roast to connect into a delicious dish. And if you are serving baked potatoes with the roast, then put a few extra ones in so there will be enough left over for creamed potatoes. Croquettes may be made easily from left-over meat and may be prepared in a few minutes, too. In fact, the croquettes may be prepared and shaped in the morning, so that all there is to do just before dinner is to roll them in cracker crumbs and fry in deep fat. Here is a recipe for beef croquettes. Pork may be used equally well in this recipe.

### Beef Croquettes

2 cups finely chopped cooked beef  
1 cup cooked rice  
1 tablespoon minced parsley  
1 tablespoon lemon juice  
2 tablespoons flour  
1 tablespoon butter  
1 cup milk  
Salt and pepper

Make a white sauce by combining butter and flour, and gradually adding milk. Mix the other ingredients thoroughly and then combine with the hot white sauce. Chill and when cold, shape into croquettes. Roll in beaten egg, and cracker crumbs, and fry in hot deep lard.

## ELECTRIC RATES DECLINE

As recently as 1927 the average cost for a kilo-watt of electric service in the average home was 9 cents; today the average cost per kilo-watt hour is only a little over six cents, a decrease of nearly 33 1-3 percent.

This decline in the cost of electric service has been made despite a large loss of business just as other businesses have had.

Use the electric service available for you today. It's cheap; it's dependable; and it's efficient.

## Tierra Blanca Wins Grand Champions in Jersey Dairy Class

The Tierra Blanca Farms won all of the grand championships in the Jersey dairy show of the Tri-State Fair. The following were the winners which came to the Randall county herd:

Grand Champion and senior bull: Bessie Fox King.

Junior champion bull: Agatha Gamba Fox.

Grand Champion and senior cow: You'll Do Blanchia Gypsy.

Junior champion cow: Ashmoor Sybil Fernie.

Other winners which came to Tierra Blanca and other Randall county breeders were:

Bull, 2 years and under: 1st, Tierra Blanca; 4th, C. C. Stewart; 5th, Tierra Blanca.

Bull senior yearling: 1st, Tierra Blanca.

Bull junior yearling: 2nd, Tierra Blanca.

Bull senior calf: 4th, Tierra Blanca.

Cow 3 years and under: 2nd and 3rd, Tierra Blanca.

Heifer 2 years and under: 2nd and 3rd, Tierra Blanca.

Heifer senior yearling: 1st and 3rd, Tierra Blanca.

Heifer junior yearling: 2nd and 4th, Tierra Blanca.

Heifer senior calf: 2nd and 4th, Tierra Blanca.

Aged herd: 1st, Tierra Blanca.

Young herd: 1st and 3rd, Tierra Blanca.

County herd: 1st, Randall County.

Get of Sire: 1st, Tierra Blanca.

been abolished by the regular session of the legislature. With the large freshman class, and late enrollment which will be sure to come, it is expected that the total in the College of last fall will be surpassed, even with the loss of the graduate students.

Many inquiries are still being received from young men and women who wish to enroll at the beginning of the second split semester on November 20.

Instructors report that work is starting off with little confusion and with a fine earnestness of purpose evidenced by the students, the majority of whom are making genuine sacrifices in order to be in college.

Student organizations are already functioning. All classes held their first meetings today and elected their officers. The Young Women's Christian Association extended its welcome and services to the girls of the college in its initial gathering yesterday.

The staff of Le Mirage has been on the job since the opening of registration, and with annuals selling at \$2.00 to all who pay for them this week, and at \$2.40 to those who make a down payment, with others to be paid in installments, nearly every student from the newest Freshman to the most sedate senior, and most all faculty members are purchasing the year book.

Two issues of The Prairie have already appeared and have met with general approval of faculty and students.

Literary Societies and departmental clubs will be under way in a few days, together with the various organizations of the churches of the city which give great help to students.

Administrative officers of the college express themselves as surprised and highly pleased that the enrollment is as large as it was at this time last year. This is especially gratifying since most colleges of the state are reporting marked decrease in attendance.

It is believed now that if individuals, business firms, and the Chamber of Commerce will keep up a steady effort to bring the advantages of Canyon's College to the attention of people elsewhere, the number of students may actually

be larger this year than last. A large committee of faculty members, which worked on the attendance problem through the summer will continue to work equally hard all during the school year.

## Barracks

(Continued from first page) word was received from Austin that Lawrence Westbrook had announced that work at the Palo Duro would be discontinued thru the winter. Westbrook made the statement to Senator Clint Small, who was active in the establishment of the Palo Duro State Park, and who is directing the investigation into the affairs of Westbrook's office.

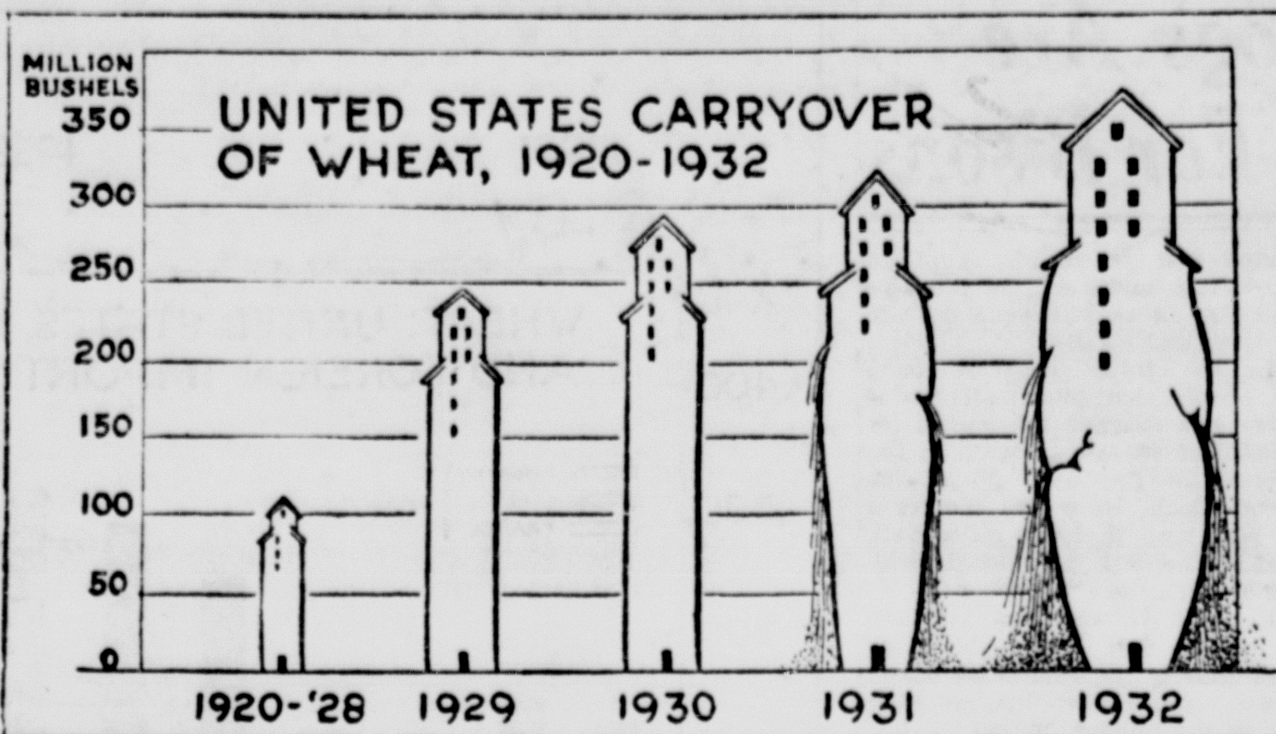

Investigation was started immediately as to the attitude of the government regarding the Palo Duro, and this was found to be most friendly. No recommendation has been made by officers at the camp to discontinue the work. If barracks are erected the men will be comfortably housed; there is an adequate water supply at the camp furnished by Randall county; and the road to the camp is being widened as fast as the work can be pushed forward.

From every indication, there seems to be nothing to prevent the work at the park being continued under the most favorable conditions during the winter.

Nothing further has been announced by the government regarding additional men to be placed at the Park. Word from Washington indicates however, that a recruiting station will be opened in Amarillo during the coming week for the purpose of enlisting ex-service men for the coming months to work at the Palo Duro. The present period of enlistment ends on October first, and men will then be asked to enlist for the new period. It is stated that practically all of the men now working at the camp will remain for the next period.

Miss Louise Jacobson and Miss Nellie Freeman are the resident students at the Little House of Fellowship this semester.

Oscar Croson has gone to Bethany College, Lindsborg, Kansas, where he will attend school the coming year.

**B**URSTING wheat bins pictured above indicate how the carryover of wheat in the United States has increased since 1928. From 1920 to 1928 the carryover was about normal and a bin or grain elevator capacity of slightly more than 100 million bushels was sufficient for supplies from year to year. Since 1928

the carryover in the United States has increased rapidly. In 1929 it was nearly 250 million bushels. In 1930 it was nearly 300 million bushels. It was over 300 million bushels in 1931 and in 1932 it reached a new peak of more than 350 million bushels. Secretary Wallace has estimated

that even with our short crop this year, the carryover will still be above normal a year from now because of the present large carryover, the lack of export demand and reduced feeding and, unless something is done to check it, the carryover is likely to jump again to around 350 million bushels in 1935.

## Wheat Allotment

(Continued from first page)

The general committee of the county will meet Monday when final instructions will be given district committeemen as to their work with the applications. All applications will be reviewed by the local committees, and the list will then be published in order that all wheat growers may see the record of those making application.

The following committeemen have been elected for the county:

No. 1, Sunny Hill: R. B. Gist, chairman, W. W. Kuehn, H. F. Ratjen.

No. 2, Ralph: D. S. Hill, chairman, O. H. Rahlf, J. B. Fox.

No. 3, Jewell: C. P. Robertson, chairman, E. C. Robinson, W. R. Landrum.

No. 4, Umbarger: Clarence Beckman, chairman, John Bedenk, John Batenhorst.

No. 5, Canyon: J. P. Hix, chairman, Henry Miller, H. W. Crain.

No. 6, Stone: C. E. Colling, chairman, A. W. SoRelle, C. B. Erwin.

No. 7, Park: W. O. Turpin, chairman, F. C. Gruner, M. H. Rockwell.

No. 8, Trigg: L. T. Campbell, chairman, J. W. Blair, L. B. Hammond.

No. 9, Hyland: Geo. E. Mason, chairman, Carl B. Fuqua, C. S. Gunter.

College Station. — Texas wheat growers in the major wheat counties are said to be very favorable toward the Government's plan to pay premiums on the 54% of the crop which goes into domestic consumption, county agents report to Extension Service headquarters at Texas A. and M. College. The educational campaign to acquaint the wheat growers with the plan is now in full swing in more than 100 counties, in charge of county agents assisted by volunteer committees of farmers.

Texas has been allotted slightly more than 20,000,000 bushels on which the Agricultural Adjustment Administration offers to pay premiums of 30 cents per bushel less administration expense, the Extension Service says. There is no quota which must be reached in this campaign, it is pointed out. The Government wants every grower to be acquainted with the plan and to be given an opportunity to co-operate with the Government in adjusting supply to demand.

The idea of the wheat plan in

a nutshell, county agents are explaining to the producers, is to pay the grower a parity price for the part of the crop that is domestically consumed and in so doing to keep next year's production from increasing by reducing the acreage 15% on the farms that are signed up in contracts. The Government cannot make the entire wheat crop exchange for what it used to before the War, but it can do this on the part used by people in the United States, it is explained. If producers will co-operate with the Government in signing contracts the Administration believes it can assure growers a good price for 54% of their annual production indefinitely.

Should Texas wheat growers all sign contracts in this campaign, Extension Service officials say it would bring between \$5,000,000 and \$6,000,000 to Texas farmers during the next 10 months. More than two-thirds of the premiums will be paid this fall, and the remainder soon after June 1 next, according to Administration announcements.

Farmers in some places are said to be withholding the signing of applications for Government wheat contracts because they think they must have complete authenticated records of their wheat production for 1930-31-32, according to reports of county agents. This is a mistaken notion, Extension Service officers say. Complete records to prove production statements made in wheat contract applications are desirable but not absolutely necessary, they point out.

It is to a farmer's own advantage to furnish threshermen's and buyers' records or any other documentary evidence to support this claim of production. Farmers who have such evidence are expected to be given special consideration by county allotment committees when adjustments are made in the bushels allotted each farm.

In the great majority of cases, Extension Service officials state, farmers do not have such complete records. Many have their own farm records of bushels produced each year and of acres sown and harvested. Others have no written records but have a clear recollection of production and acreage for the three base years. In these cases the farmer is merely expected to make a conservative statement of production and acres in wheat in his application. His figures will be published in a local

newspaper for checking by all his neighbors. It is expected in this way that attention will be called to any serious inaccuracies in these statements.

The most frequently asked question about the Administration domestic allotment plan for wheat, as revealed by queries to the Extension Service is this: "Can I sow my contracted wheat acres to wheat again in the fall of 1934?" The answer is "Yes." He may rotate his acreage.

The contracted acreage, it will be recalled, consists of the acres actually retired this fall from wheat production. It is 15% of the average acreage for the years 1930-31-32. As interpreted by the Extension Service, as long as a farmer abides by his contract, he may sow the acres retired from wheat this year to wheat again next fall provided he withdraws from wheat production next fall a like acreage from some other part of his wheat fields.

## Buffaloes

(Continued from first page) TIAA guard, and Stroud, towering end, are expected to be recovered from injuries which prevented them from seeing much service in the Weatherford game.

Simmons will present a strong line-up with nine letter men and two reserve men from last year on the starting eleven. Nearly all of the letter men have had two or three years experience and are playing their last year of college football.

Nine of the Buffaloes on the starting line-up are letter men. Ralph Poe came up from last year's Freshman squad and Jimmie Holston transferred from Amarillo Junior College.

The teams are nearly evenly balanced as far as weight is concerned. Both lines average 183 pounds while the Cowboys have a slight edge in the back field, 169 1-4 to 168 3-4. The total team average for the Buffaloes is 175 1/4 while the Cowboys tip the scales at 176 pounds.

Coach Al Baggett is optimistic over the coming game, believing that the changes made in the line-up, the additions made to the squad, and the additional week of intensive training will prove the factors which will make the Buffaloes a winning team.
